NOTIFICATIONS:

- 1) Review chapters 17.04 and 17.06 of the City of Anaheim Municipal Code and visit www.anaheim.net/publicworks for additional information.
- 2) Upon plans approval the signing contractor must hold a General-B license type with the State of California and maintain a valid City of Anaheim business license for permit issuance.
- 3) Proof of General liability insurance listing the City of Anaheim as additionally insured to be provided at time of permit issuance.
- 4) If you are providing any service such as an Architect, Engineer, Designer, Handyman, Contractor or any other type of business within the City of Anaheim, you are required to have a valid and active city business license per City of Anaheim Municipal Codes; A.M.C.3.04.010 and A.M.C. 3.04.050. For further assistance please contact the *Business License Division* at (714) 765-5194.

IMPORTANT:

I Agree to comply with the Rules and Regulations adopted by the Director of Public Works, all provisions of the City Ordinances, Resolutions, Standards and Specifications currently in force, copies of which are available from the Engineering Representative at 200 South Anaheim Boulevard, Anaheim. I agree to have forms and subgrades inspected and approved prior to placing concrete, base, or asphalt concrete. I agree to pay for removal or proper replacement of any items installed under this permit which do not comply with the above. By signing and accepting this Permit, the Permittee states that the following divisions and agencies will be notified at least 48 hours prior to start of any work.
