DESCRIPTION OF REQUESTED RECORD(S): (Describe the specific public record(s) e.g., date, type, time period covering documents requested etc)

At the council meeting on March 22, 2016, Item #38, Public Hearing, Natalie Meeks made the obvious false statement that two appraisals existed, when they did not. On March 23, 2016, a CPRA request was made for the non-existing appraisals? On April 4, 2016, the Anaheim City Attorney replied that the non-existing appraisals were being withheld (in clear violation of the CPRA)? On April 26, 2016, Natalie Meeks sent notice implying that she had somehow created the previously non-existing appraisals, and they are now available.

This request is for whatever Appraisals now exist concerning the Item 38 Public Hearing.

I understand that I will be contacted once documents have been identified. If production of records is requested, an estimated cost will be provided to me and I agree that I will be required to submit payment for duplication costs (and mailing) prior to the production of the requested documents.

I wish to inspect City records
