Dear Ms. Meeks,

Environmental Support Services (ESS) is in the process of conducting a records search for an environmental audit at a site in Anaheim, CA. This search includes researching the history of the site, especially as it pertains to hazardous materials/waste. With this in mind, **ESS** requests the following information concerning the subject address which your agency may have on file:

1. copies of applications and permits for industrial waste discharge; and
2. copies of any and all violations concerning industrial waste discharge.

Should you have any questions concerning this request for information, please call. Your expedient processing of this request is appreciated. **THANK YOU!**

Sincerely,
Environmental Support Services
