Re: Public Records Request

Dear Ms. Hall:

My office represents the Orange County Electrical Workers Defined Contribution Pension Plan. This letter constitutes a public records request for copies of any and all certified payroll records for work performed between December 1, 2015 and the present by Steiny and Company Inc. on the public work(s) of improvement associated with City of Anaheim Job No. 4430, located at Tustin Avenue and Orangethorpe Avenue, Anaheim, CA. Steiny and Company Inc. is a sub-contractor on the job, holds Contractor's State License No. 161273, and does business in California with Corporate No. C0320336. The general contractor on the job is USS Cal Builders Inc., which holds Contractor's State License No. 654454, and does business in California with Corporate No. C1709329.

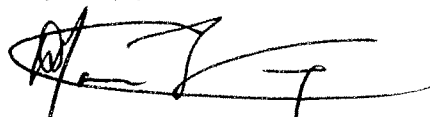

Please also provide a copy of any payment bond(s) for the above-listed public work(s) of improvement. Such copy should include, at a minimum, the name of the surety and the bond number.

This request is authorized by the California Public Records Act, Gov. Code §§ 6250 *et seq.* Specifically, Gov. Code § 6253 permits the public to receive a copy of any identifiable public record. As the California Department of Transportation is a public entity, its certified payroll records and payment bond documents for works of public improvement are public records and subject to disclosure.
