RE: Request for Proposals (RFP) - Pavement Management Plan for Citywide Arterial Highway Systems and an update for Local Street Systems
272-412-L106-7892

FOR INFORMATION ONLY, the Department of Public Works is seeking professional consultants to provide pavement management plan services for the citywide arterial highway systems and an update for local street systems.

The details of the work are delineated in the RFP.

The electronic version of the RFP is only available online through the City's electronic bidding system, PlanetBids. Consultants must register at the PlanetBids website in order to download the required documents to be submitted along with the Proposal. All questions or requested clarifications shall be made in writing via the PlanetBids website.
