

Anaheim Public Utilities is inviting you to participate in its myPower Savings Program. To reduce the need to build new power plants, Anaheim is paying eligible customers to reduce electricity usage when needed. You can earn an instant enrollment reward (up to a \$30 bill credit) and additional Program event participation rewards (\$1.00 for every kilowatt-hour of energy you reduce during event hours; up to \$100 in bill credits per fiscal year). Enroll now to receive Program event notifications and plan to reduce or shift your electricity usage.

Simple to Participate

1. Enroll in the Program by filling out and returning this form.
2. Receive an instant enrollment reward on your electric bill based on your power saving appliances.
3. Receive event notifications by email or text.
4. Opt-in to an event by responding to the event notification and reducing electricity usage during the specified event hours.
5. Receive electric bill credits based on your actual electricity usage reductions.

myPower Savings Event Details

- Event participation is voluntary.
- Events are limited to non-holiday weekdays, up to 3 hours per event, and 1 event per day. Total number of events will not exceed 10 events per year.
- Events can be called at any time between 6 AM and 10 PM, but are typically called in the late afternoon to early evening.
- Bill credits are calculated based on the difference between your electricity usage during the event and your average electricity usage during the same time frame, for the 3 highest usage days in the previous 5 non-event and non-holiday weekdays.

Program Requirements: In order to participate in the myPower Savings Program, customers must have an interval recording smart meter installed at their homes, enroll in the Program, and sign-up to receive Program event notification. Customers may select to receive event notification via email or text message. Anaheim Public Utilities will send advance notifications of pending Program events through a customer's selected delivery method. If text message delivery is selected, the customer's carrier's text messaging rates will apply. Anaheim Public Utilities does not warrant or guarantee receipt of event notifications. As an enrollee of the myPower Savings Program, it is the customer's responsibility to ensure that Anaheim Public Utilities has his or her preferred and most current contact information. Enrollment rewards are subject to verification by Anaheim Public Utilities. Program requirements are subject to change at any time. Other restrictions may apply. Enrolled customers can update notification methods or terminate participation in the Program at any time by emailing mypowersavings@anaheim.net or calling 714-765-5008. Visit Anaheim.net/utilities/demandresponsefaq for more information and frequently asked questions.

Rewards for Enrollment If You Have...	Program Enrollment Reward
Central air conditioner and pool pump	\$30
Central air conditioner	\$20
Wall air conditioner or EV charger	\$10

Rewards for Reducing Power Usage During Program Events...	Reward
For each kilowatt-hour (kWh) you reduce	\$1.00/kWh
