

Candidate Statement of Qualifications

CITY OF ANAHEIM COUNCIL MEMBER DISTRICT 2

NAME: JAMES DEREK VANDERBILT

AGE: 53
(Optional)

OCCUPATION: Anaheim City Councilmember

Thank you for the opportunity to serve our West Anaheim community. As your Councilman, I've worked successfully to bring more city services and resources to benefit our local neighborhoods.

My accomplishments include: 1) Securing major improvements for District 2 with John Marshall, Barton and Modjeska Parks all receiving additional funding for upgraded recreational amenities and improved safety protections; 2) Significantly reducing the number of for-sale cars and increased parking on Ball Road; and 3) Strengthening code enforcement response to cut the number oversized vehicles on Medical Center Drive.

Local Roots: I attended elementary school, played little league, helped with my family's business, and worked at my first job for the City all right here in District 2. I've lived nearly my entire life in Anaheim.

Dedicated Leadership: Representing District 2 residents as an Anaheim City School Boardmember 2004-2014 and as your elected Council Member since 2014. I also served as an Anaheim Planning Commissioner and Community Service Board Member.

Integrity: Honorably discharged Military Veteran who served our country overseas. I have protected taxpayers with the lowest office operating costs of any City Council Member. Endorsed by Mayor Tom Tait, Orange County Supervisor Shawn Nelson, and West Anaheim Councilwoman Denise Barnes.
