DESCRIPTION OF REQUESTED RECORD(S): (Describe the specific public record(s) e.g., date, type, time period covering documents requested etc)

I am conducting a Phase 1 Environmental Site Assessment and am seeking records related to hazards materials/wastes, underground and above ground storage tanks, and building permits/records that may show previous site use. The lot is at the northwest corner of South Manchester Avenue (2121 S. Manchester) and East Orangewood Avenue (915 E. Orangewood) in Anaheim. Although my company's office is located in Oakland, I am in Richmond, Virginia. If there is the possibility of records being submitted to me electronically, that would be preferred.

Thank you!

I understand that I will be contacted once documents have been identified. If production of records is requested, an estimated cost will be provided to me and I agree that I will be required to submit payment for duplication costs (and mailing) prior to the production of the requested documents.

I wish to inspect City records
