**RE:** Linda Vista Complex Pump Station Improvement Phase 2 Project  
Account No: 502-521-3724-7865-1800332-01  
Project No: RCP2019-15519

---

FOR INFORMATION ONLY, The Department of Public Works is advertising to acquire bids from the Pre-qualified List of contractors specific to the Phase 2 improvements for the Linda Vista Complex located at 1411 North Tustin Avenue (north of Miraloma Avenue).

The Linda Vista Complex is a critical water storage and pumping facility for Anaheim. This Complex is a strategic supply source for Anaheim's water system. In 2014 Phase 1 was successfully completed with the demolition of an existing reservoir, construction of a new 4 million gallon tank and construction of a two-zone pump station and various site improvements. Phase 2 improvements consists of replacement of existing pumps with new up sized pumps and motors, replacing the existing electrical and controls, construction of a new building to house the new electrical and controls, demolition and removal of the abandoned on-site facilities, and other related site improvements.

10% bid bond required. Liquidated Damages will be \$2,750 per day.
