Re: Request for Certified Copy of Resolution No. 2016-200

Dear City Clerk,

Golden State Finance Authority, formerly known as California Home Finance Authority, is a joint powers authority and a duly constituted public entity and agency existing under and by virtue of Articles 1 through 4 of Chapter 5, Division 7 of Title 1 of the California Government Code.

On 10/18/16, your City Council adopted Resolution No. 2016-200 approving your City's membership in California Home Finance Authority (now Golden State Finance Authority) and authorizing properties in the City to participate in the California Home Finance Authority Community Facilities District No. 2014-1 (Clean Energy), which is a PACE financing district.

The Property Tax Division in the Orange County Auditor-Controller's Office requires us to provide a certified copy of the City Council's resolution as part of adding the GSFA special tax increment to the property tax roll for participating properties in your city.

We would appreciate your mailing as soon as possible (and preferably no later than July 20th) a certified copy of Resolution No. 2016-200 to our Property Tax Administrator, Willdan Financial Services, at the following address:

Willdan Financial Services
