### DESCRIPTION OF REQUESTED RECORD(S): (Describe the specific public record(s) e.g., date, type, time period covering documents requested etc)

*I would like to request a copy of the list of persons notified of the proposed formation of the Santiago Geologic Hazard Abatement District (SGHAD) prior to the March 16, 1999 City Council meeting, where Resolution 99R-50 was voted upon to establish the SGHAD. Since the names of homeowners may have changed for many of these properties, it would be helpful to have the list include address and/or lot information. If possible, this should be the official list certified by the City Clerk and used to notify affected residents of the proposed formation of the SGHAD.*

I understand that I will be contacted once documents have been identified. If production of records is requested, an estimated cost will be provided to me and I agree that I will be required to submit payment for duplication costs (and mailing) prior to the production of the requested documents.

I wish to inspect City records
