Subject: Public Records Request

Good morning,

Please see renewed Public Records Request, which was never fulfilled pursuant to our original request dated **8/6/2019**. We were directed to the public site www.anaheim.net/records to obtain drawings, which is too cumbersome and does not include everything per our request. We are specifically looking for signing and stripping plans and any related records, including but not limited as-built plans, contractor plans, and any other related plans only for the area highlighted in blue on the attached "Map".

Thank you
