Hi Theresa,

May I please review the 2019 Angels Stadium and surrounding land appraisal final version, in its entirety?

Here's the motion language from the Nov. 20, 2018 vote, when the council authorized the vote, according to meeting minutes.

"Mayor Tait moved to direct staff to prepare an appraisal of the Angel Stadium, as is, at current market value and make available to both the public and Council, seconded by Council Member Barnes."

Thanks,
