Pre-stressed Concrete				
Structural Steel/Welding				
Fireproofing				
HERS				
Other				

* Including Epoxy Anchors

I hereby certify that I am qualified by training and experience to perform the inspections for which I hold the above listed Special Inspector's certifications.

I will certify that the job conditions are in conformance with the approved plans and job specifications. If at any time, progress occurs on the jobsite under my responsibility, without my knowledge or approval, or if I terminate my services for the assigned scope of my responsibility, I will immediately notify both the project superintendent and the City of Anaheim Building Division in writing. A record of my test and/or inspections as certified to the above will be submitted to the Building Division in writing at regular intervals. I will also provide a final letter certifying satisfactory completion. I understand that I shall be employed only by the Owner, Architect or Engineer of Record.

I understand that it is my responsibility to provide the address and building permit number of all future projects to the Anaheim Building Division prior to special inspections.
