### What is Neighborhood Services?

The mission of the Neighborhood Services Division is to facilitate a city-wide effort to improve the “livability” of Anaheim neighborhoods by enabling residents to assist themselves through the creation of partnerships between the city and other community-wide resources.

Neighborhood Services serves as a single point of contact for residents in need of assistance. Are you unsure of what city department to contact? Do you have questions, ideas or concerns about your neighborhood? We can help!

### Neighborhood Council Meetings

Get involved and join us at the next Neighborhood Council Meeting! Neighborhood Councils bring people together, provide useful information and help you find ways to participate in your community. Additional meetings may be scheduled.
