 AND REGULATIONS**

DEVELOPMENTAL SCHEDULE D-TOU-2

DEVELOPMENTAL DOMESTIC TIME-OF-USE

SPECIAL CONDITIONS (Continued)

The summer season shall commence at 12:00 a.m. on June 1 and continue until 12:00 a.m. on October 1 in each year. The winter season shall commence at 12:00 a.m. on October 1 of each year and continue until 12:00 a.m. on June 1 of the following year.

B. Rate Stabilization Adjustment

The rates above are subject to adjustment as provided for in Schedule RSA. The applicable billing factor set forth therein will be applied to kilowatt-hours billed under this developmental Rate Schedule as follows:

The Power Cost Adjustment (PCA) will be applied to all kilowatt-hours billed under this Rate Schedule in excess of 10 kWh per day. The Environmental Mitigation Adjustment (EMA) will be applied to all kilowatt-hours billed under this Rate Schedule.

C. Applicable to This Rate Schedule Only

If, within four (4) months of first receiving electric service under this Rate Schedule, a Customer notifies the Utility that Customer desires instead to take service under Schedule D, Domestic Service, the Utility will execute the change and determine whether a billing adjustment shall be made for this period. This determination will be based on whether there is a difference between amounts billed to Customer under this Rate Schedule and the amount that would have been billed under Schedule D, Domestic Service. If the Utility determines the Customer paid more under this Rate Schedule during the first four (4) months, the Utility will provide a billing credit to the Customer for this difference.

D. General Manager

As with all developmental Rate Schedules, the General Manager, at his or her sole discretion, may implement, modify, restrict, or close this developmental Rate Schedule upon notification and approval of City Council. This developmental Rate Schedule shall be implemented per Rule No. 12.
