**PLANNING & BUILDING DIRECTOR
LETTER RE: POLITICAL SIGNS
(AMC GUIDELINES)**

City of Anaheim
PLANNING AND BUILDING DEPARTMENT
Code Enforcement Division

July 5, 2022

Dear Candidate and Political Supporters:

The City of Anaheim takes pride in being one of the premier locations in Southern California. As such, we want to ensure that our city looks as good as possible for our many residents, visitors and those who do business in our city. The City has adopted regulations for temporary political signs to ensure that candidates have the ability to promote their campaigns without cluttering the city's public spaces.

Please be advised that the Anaheim Municipal Code prohibits the placement of signs in the public right-of-way. In addition, signs may not be placed on private property without the owner's consent. For your convenience, I have enclosed a copy of the City's regulations on political signs.

During an election year, the City receives numerous complaints concerning the proliferation of political campaign signs on both public and private property. Our procedure, upon finding such signs in violation of our municipal code, is remove the sign(s), document and store for 10 days. We are asking for your cooperation and that of your supporters in ensuring your signs are compliant with the City's regulations, and in promptly removing any signs that may inadvertently be placed in an inappropriate location.

If you have any questions or need additional information concerning this matter, please contact me at (714) 765-5209.

Sincerely,

Ted White

Planning & Building Director

.020 The term "public right-of-way" as used in this section shall mean any area of real property dedicated to or owned by the City of Anaheim or the public or any other public body, or over which the City of Anaheim or the public or any other public body holds any easement, for public street, alley, sidewalk, pedestrian, equestrian, or public utility purposes.

.030 It shall be unlawful for any person, firm, corporation, committee, or organization, except a public officer or employee in the performance of a public duty or unless required or permitted by ordinance of the City of Anaheim or the laws of the State or of the United States, to place or cause to be placed, any sign on or within any public right-of-way in the City of Anaheim, or to affix any sign to any curb, telephone wire, crossbar or pole, utility wire, crossbar or pole, lamp post, traffic or parking control signs or devices, hydrant, bridge, tree, bus shelter, or any other object located within said public right-of-way.

.040 The provisions of this section shall not apply to signs placed or maintained upon, or in front of, or attached to, or above any building or premises either wholly located upon private property, or upon a building or structure projecting into the public right-of-way and which sign is regulated by the provisions of Title 18, Chapter 18.44 of the Anaheim Municipal Code. Notwithstanding any other provision hereof, only one such Fifty Dollar reward shall be payable by the City for each conviction.
