COMPUTER PRODUCTS

Registered Voter File: Candidates may purchase the registered voter file on a USB drive. The file is in alphabetical sequence and can be ordered with the names of all voters in Orange County or just the voters in a particular city or district. Call (714) 834-7116 for more information or go to ocvote.gov to make a purchase online. Click on "Data & Research" at the top of the page and click on "Purchase Voter Data". The Registrar of Voters' office does not provide technical support.

INDICES (WALKING LISTS)

All candidates are entitled to purchase indexes. These are printed lists of registered voters by precinct, listed by address with the street names arranged alphabetically and street numbers in numerical order for a given street name.

Each candidate may purchase up to two copies (sets) of indexes for his/her own use or the use of his/her committee. These may be a complete set, including all precincts within the district in which the candidate is running, or a partial set, including some of the precincts in the district. Indexes sell for 50 cents per thousand names or portion thereof. Indexes may be ordered by filling out the proper form at the Registrar of Voters' office or by writing a letter to the Registrar of Voters' office requesting indexes for a certain district. The cost of the product is payable in advance at the time the product is requested. For further information, please call (714) 834-7116.

The candidate must fill out a written request form containing a signed declaration that the data purchased will be used only for election purposes.
