Date: August 23, 2021

RE: Design-Build Master Agreement for Electric Transmission, Distribution and Substation Projects
Account No. 528-521-6772-7865

FOR INFORMATION ONLY, the Department of Public Works is advertising for qualifications to perform as-needed design, construction, upgrade, alteration, and repair of new and existing electric transmission, distribution and substation systems and facilities under a Design-Build Master Agreement.

Prequalified Design-Builders will be required to execute a Master Agreement and, with City Council approval, will be eligible to submit proposals for Work Order Packages issued pursuant to the Master Agreement. Work Order Packages awarded under this Master Agreement will include, but not be limited to the design, upgrade, construction, alteration, and repair of new and existing electric transmission, distribution and substation and fiber optics and streetlight systems and facilities throughout the City. Specific work includes abandon, repair, relocate, replace, and install direct buried cable replacements, overhead and underground electric equipment and structures, streetlights, fiber optics network, underground conversions, and electric system capacity and reliability improvements.

Work Order Packages issued under this Master Agreement is not covered "Project Work" as defined in the Community Workforce Agreement (CWA). Electric utility work on high voltage utility equipment and other special utility construction work are specifically exempt and excluded from the scope of the CWA. The CWA can be accessed on the City's website at: <http://anaheim.net/229/Public-Works>.

Funding Source(s): Funding sources are anticipated to include Electric Capital Funds, and others as appropriate. Work Order Packages will be budgeted in the Public Utilities Department Electric Capital Improvement Program for each fiscal year.

Required license classifications: "A" General Engineering and "C10" Electrical Contractor classifications as listed in the Request for Qualifications. DIR registration is required for prime and subcontractors.

No bid bond required. Liquidated Damages will be assigned and determined as per Work Order Package.

A NON-MANDATORY Pre-Submittal Meeting is scheduled for Thursday, September 9, 2021, at 10:30am. Call in details will be listed on the online bidding platform.
