

Candidate Statement of Qualifications

CITY OF ANAHEIM COUNCIL MEMBER DISTRICT 3

NAME: AL JABBAR

AGE: 44
(Optional)

OCCUPATION: Governing Board Member, Anaheim Union High School District

Anaheim is at a crossroads. City officials prioritize the needs of billionaires, and their dealings are under investigation. We must clean up City Hall and bring its focus back to our neighborhoods and families.

As your Councilmember, I will advocate for more:

Transparency at City Hall with ethical leadership and representation.

Access to good-paying jobs and support for small businesses.

Community safety with accountability.

Resources to address homelessness.

Investment in streets, sidewalks, libraries, parks, and community centers.

I'm proud of my record as an AUHSD Trustee. We created the Anaheim Educational Pledge, offering pathways to college and technical careers. Anaheim students gained priority admission to UC Irvine and Cal State Fullerton. We prioritized school safety and security. We reopened the Anaheim High School Pool for community use.

Councilman Dr. José F. Moreno, local elected officials, and community organizations support my campaign to improve Anaheim.

I came to Anaheim as an immigrant, worked multiple jobs to put myself through college, and pursued a career in public service. My wife and I have three children, two of whom attend a public school in Anaheim. Anaheim is our home, and we're committed to make it a better place for all families.
