

Candidate Statement of Qualifications

CITY OF ANAHEIM COUNCIL MEMBER DISTRICT 3

NAME: NATALIE RUBALCAVA **AGE: 43**
OCCUPATION: Anaheim Commissioner/Businesswoman **(Optional)**

Dear Neighbor,

As a fourth-generation Anaheim resident, a local businesswoman, and a mom, I understand the things that make our city such a special place to live. I'm running for City Council to listen to residents and improve and protect the quality of life in our neighborhoods.

On the Anaheim City Council, I will work to:

- Reduce homelessness by tackling the root housing and mental health causes.
- Protect neighborhoods by ensuring first responders have the tools they need.
- Create good-paying jobs by working with existing businesses and recruiting new ones.
- Listen to residents and bring a collaborative spirit to City Hall.
- Secure our fair share of city funding to maintain our streets, sidewalks and parks.

I currently serve as an Anaheim City Commissioner and an Orange County Fair Boardmember. Professionally, I work as the Chief Operating Officer of the Orange County Business Council. I am a proud public school graduate, and attended Lincoln Elementary, Sycamore Junior High, and Anaheim High School, before earning my bachelor's degree from California State University, Fullerton and law degree from University of La Verne College of Law.

I am proud to be supported by local firefighters, police officers, veterinarians, small businesses, and the Anaheim Neighborhood Association. For a complete list, please visit NatalieRubalcava.com/endorsements.

I would be honored to work for you on the Anaheim City Council.

Sincerely,
Natalie Rubalcava
